

## Writing Pilot Program: 4<sup>th</sup> Grade Timed Writing I

### Student Instructions:

Today you will be completing a timed writing assignment and you will get to choose what you want to write about! Below you will find three personal narrative topics. Choose **one** topic and write your assignment on the paper provided. If you need more space to write, you can ask your teacher for more pages.

For your assignment, it is important to remember to —

- write about a personal experience
- organize your writing
- develop your ideas in detail
- choose your words carefully
- use correct spelling, capitalization, punctuation, grammar, and sentences

Below are your topic choices. Choose **one** topic to write about and remember to do your best!

### Writing Choices:

---

1. Write about a time you spent with a special friend.
2. Write about a time when someone said you did a great job.
3. Write about a time when you tried your hardest.
